Irish Kidney Association

Dear Members of Transplant Team Ireland

I'm delighted to hear that you are soon on your way to Vantaa in Finland for European Transplant & Dialysis Championships. The Irish Kidney Association is doing significant work in Ireland and you have a vital role as Members of Transplant Team.

You will see Finland at its best when you travel at this time of the year. I wish you all a very pleasant trip to my old hometown Vantaa! I hope this brings you good luck and many medals. Enjoy yourselves and have fun!

Best regards

Jaana Teckenberg
